## News update:

Thank you to everyone who attended the Class 1 and 2 maths cafes this week. It was great to see so many of you there and hopefully it gave you an insight into some of the approaches we use to teach maths in the school.

We also had the pleasure of hosting Premier Sport, who led some sessions on healthy lifestyles.

It has been noticeably colder in recent days, so it has been good to see the children wrapped up nice and warm. We always try to keep an eye on the weather forecast and if conditions become dangerous for travel then we will endeavour to let parents know with as much notice as possible if the school needs to be closed. This will be done via the school website, Twitter and the Norfolk school closure website

[http://www.disruptions.norfolk.gov.uk/ncclosures\\_schools.html](http://www.disruptions.norfolk.gov.uk/ncclosures_schools.html)

The decision to close a school due to bad weather is not taken lightly and hopefully I will not have to take that course of action over the coming weeks.
