## News update:

It seems remarkable that I have been in post for exactly one month - the time has flown by and yet it feels like I have been here a lot longer. This probably reflects how welcoming people have been and I really appreciate all the help I have received.

Beginning on 9<sup>th</sup> February and running until 3<sup>rd</sup> May 2019, the EDP and Norwich Evening News are running a token scheme in their newspapers for primary schools to share £10000 worth of Lego Education resources. If we can collect 1000 tokens then we will receive £50 worth of Lego. Please could you encourage everyone you know who may get these newspapers to save the tokens and bring them into school. If we could reach our 1000 token target then that would be amazing!

Please note that the holiday club on Friday 22<sup>nd</sup> at Tivetshall starts at 8am, rather than 8.30am as was previously advertised.
