News update:

This is the final 'catch up' letter before we break up for half term and on behalf of the staff here at Burston I would like to say an enormous thank you for all of your help, support and encouragement. It makes a big difference in how successful we are by having your support in what we do.

I have not been visible in school much this week. At the beginning of the week we had an external education advisor work with me and members of the Sapientia Trust, which provided some very useful development points to further strengthen the school. I also completed two days of safeguarding training this week, which reinforced by role as Designated Safeguarding Lead across both schools. This is of course a crucial part of any school and the course was very useful in helping us to keep children safe.

Finally I would like to wish you all a happy half term and I look forward to seeing you all again on Monday 25th February.

Reminders

- Please collect the LEGO tokens in the local newspapers and send them into school
