News update:

Thank you to everyone who has returned their slip indicating whether they would use after-school provision up to 5.30pm during the week. I will be discussing this with staff and governors and will get back to you as soon as I have a decision. I want to be able to provide this if there is a need but of course there needs to be enough of an uptake to make it viable.

After half term we will be holding an open morning, where hopefully lots of people will get the opportunity to have a look at our school and what we do. I am looking to secure the date in the very near future and this will be communicated to you. Do please come and have a look round and if you know of any other people who might be interested then please let them know too. Lots of fabulous things go on at Burston and I'd like people to see this for themselves!
