## News update:

First of all I would like to congratulate Year 6. It was their SATs week and they all showed 100% commitment during each test. It is a challenging few days but they should feel extremely proud of the way they embraced these challenges. Well done to each and every one of them. I'd also like to thank the rest of the school, who were very quiet and respectful as the tests were going on.

The end of next week will be half term, which has come round ridiculously quickly. It would be really helpful if any outstanding payments for breakfast club, dinners, trips etc could be settled before we break up, so that the banking is as up-to-date as possible.

## Reminders

- Please send in any remaining LEGO tokens – we will be counting soon
- Please check names are in summer items eg hats, lotion etc
